WAR-COLLECTION FRANKENHUIS 's-GRAVENHAGE

Theresienstadt

May 11 (1945)

Quite a number of German prisoners, women and children. All private persons, marching on and their faces are not cheerful. Also Germans soldiers exactly in a state as on the well known engraving, representing the soldiers on their way back from Moecow after Napoleons defeat in Russia.

Yesterday I saw a car , an American jeep in which an American war correspondent. To-day I was informed that this correspondent visited all the camps to trace the mother and he found her here in Theresienstadt.

She went along with him in the car , an old little woman. He had put her in a Red Cross uniform (white) with a small while cap on. And on this cap a small red cross.

What an encounter that must have been !! I saw this couple and of course, she with this uniform , to try her to get thru the various posts. Good luck !

It is the first time that I saw a jeep here in the camp.
